FORFEITURE ORDER

Adopted: February 7, 2011**Released: February 8, 2011**

By the Chief, Audio Division, Media Bureau:

I. INTRODUCTION

1. In this Forfeiture Order, we issue a monetary forfeiture in the amount of fourteen thousand dollars (\$14,000) to Robert J. and Katherine M. Bohn (collectively, “Licensees”), licensees of Stations KVLI-FM Lake Isabella, California, and KQAB(AM), Lake Isabella, California (each, a “Station,” collectively, “Stations”), for willfully violating Section 73.3539 of the Commission’s Rules (“Rules”) and willfully and repeatedly violating Section 301 of the Communications Act of 1934, as amended (“Act”), by failing to timely file license renewal applications and engaging in unauthorized operation of the Station.¹

II. BACKGROUND

2. On September 25, 2007, the Bureau issued two separate Notices of Apparent Liability for Forfeiture (“*Bohn NALs*”), each proposing a forfeiture in the amount of seven thousand dollars (\$7,000) each to Licensees for these violations.² As noted in the *Bohn NALs*, Licensees’ renewal applications for the Stations’ license terms were due on August 1, 2005, four months prior to the December 1, 2005, expiration date.³ Licensees did not file the applications until October 27, 2006, and did not seek Special Temporary Authority (“STA”) to operate the Stations after their licenses had expired. Licensees explained in the renewal applications that their late-filing was caused by administrative error and misunderstanding the Commission’s electronic filing system (CDBS). Licensees submitted two separate responses (“Responses”) to the *Bohn NALs* on October 22, 2007. Because the Responses raise the same

¹ 47 C.F.R. § 73.3539; 47 U.S.C. § 301.

² *Robert J. and Katherine M. Bohn*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 22 FCC Rcd 17295 (MB 2007); *Robert J. and Katherine M. Bohn*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 22 FCC Rcd 17298 (MB 2007). The Commission granted the license renewal applications on September 25, 2007.

³ See 47 C.F.R. §§ 73.1020, 73.3539(a).

substantive arguments, we will address the *Bohn NALs* and Responses together in the interest of administrative convenience.

3. In their Responses, Licensees assert that the proposed forfeitures should be cancelled because: (1) the proposed forfeitures are excessive compared to proposed forfeiture amounts issued in other decisions; (2) their failure to timely file did not adversely affect the public interest; and (3) their failure to timely file the renewal applications was partially due to difficulties with CDBS.

III. DISCUSSION

4. The forfeiture amounts proposed in these cases were assessed in accordance with Section 503(b) of the Act,⁴ Section 1.80 of the Rules,⁵ and the Commission's *Forfeiture Policy Statement*.⁶ In assessing forfeitures, Section 503(b)(2)(E) of the Act requires that we take into account the nature, circumstances, extent and gravity of the violation and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.⁷

5. Licensees argue that the \$7,000 proposed forfeiture issued to each Station is excessive and should be reduced to \$500 per station based on recent Commission precedent.⁸ Licensees assert that although the Commission has issued \$7,000 forfeitures to some licensees, it has also issued forfeitures in the amount of \$500 and \$3,500 to other licensees for reasons that are not clear to them.⁹ Licensees thus suggest that the \$7,000 forfeitures issued against them are arbitrary.

6. We disagree. Commission precedent supports the issuance of a \$7,000 forfeiture per Station.¹⁰ Cases cited by Licensees in support of a lower forfeiture amount are inapposite because they involve: (1) licensees who were providers of secondary FM service and were thus issued \$500 forfeitures,¹¹ or (2) licensees that filed their renewal applications within two days after the expiration of

⁴ 47 U.S.C. § 503(b).

⁵ 47 C.F.R. § 1.80.

⁷ 47 U.S.C. § 503(b)(2)(E).

⁸ Response at 2.

⁹ Response at 2. For example, Licensees maintain that it is unclear whether, as a general matter, the Commission takes into account a station's class, whether the licensee has filed and obtained an STA, or the time that elapsed between the initial date of violation and the filing of the untimely renewal application. Licensees also suggest that the staff makes assumptions about licensees' finances based solely on their names, and uses licensees' religious affiliations in determining the amount of a proposed forfeiture. Response at 3. On this last point, we emphasize that the Commission does *not* take into account a licensee's religious affiliation, if any, when determining forfeiture amounts.

¹⁰ See, e.g., *Hawkins Broadcasting Company*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 22 FCC Rcd 4497 (MB 2007) (issuing a proposed forfeiture of \$7,000 where licensee failed to timely file a license renewal application for the station and engaged in unauthorized operation of the station after its license had expired); *Detroit Lakes Broadcasting Company, Inc.*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 22 FCC Rcd 16820 (MB 2007) (same); *WBLB, Inc.*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 22 FCC Rcd 7522 (MB 2007) (same).

¹¹ Response at 2, citing *American River Folk Society*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 22 FCC Rcd 17639 (MB 2007) (issuing a proposed forfeiture of \$500 where LPFM licensee failed to timely file a license renewal application for the station and engaged in unauthorized operation of the station after its license had expired); *Roswell Interarts Organization*, Memorandum Opinion and Order and Notice

their station licenses and thus received \$3,500 forfeitures.¹² Here, Licensees are not operating secondary service stations, and filed the renewal applications over one year after the renewal filing deadline. We thus find that the \$7,000 forfeiture amount for each Station was appropriate and consistent with precedent.

7. Licensees also argue that the forfeiture amounts should be reduced because their failure to timely file the renewal applications had no adverse effect on the public interest.¹³ It is, however, a well established and long-standing principle that the absence of public harm is not considered a mitigating factor in a Rule violation.¹⁴ Moreover, licensees are responsible for the timely submission of required forms, and untimely renewal applications disrupt the orderly processing of renewal applications orchestrated by the staggering of license renewal terms in Section 73.1020 of the Rules.¹⁵

8. Finally, Licensees state that the forfeiture amounts should be reduced because they were unfamiliar with the Commission's electronic database, CDBS, and they, as well as other licensees, experienced difficulty in completing the online renewal application.¹⁶ The Commission has specifically ruled that confusion or difficulties with the Commission's electronic filing system are not grounds for reduction or cancellation of a forfeiture.¹⁷ Accordingly, we find this argument to be without merit.

9. We have considered Licensees' responses to the *Bohn NALs* in light of the above statutory factors, our Rules, and the *Forfeiture Policy Statement*. We conclude that Licensees willfully¹⁸ violated

of Apparent Liability for Forfeiture, 22 FCC Rcd 11931 (MB 2007) (issuing a proposed forfeiture of \$500 where FM translator licensee failed to timely file a license renewal application for the station and engaged in unauthorized operation of the station after its license had expired); *Educational Radio Foundation of East Texas, Inc.*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 22 FCC Rcd 11449 (MB 2007) (same). These decisions are consistent with the staff's precedent of issuing licensees a reduced forfeiture based on their station's status as a provider of secondary FM service. See, e.g., *Christian Radio Translator Association/Salmon, Inc.*, Forfeiture Order, 24 FCC Rcd 11288 (MB 2009) (reducing forfeiture amount against FM translator station for late-filed renewal application and unauthorized operation of the station from \$7,000 to \$500). See also *Soul's Harbor Assembly of God Church*, Forfeiture Order, 24 FCC Rcd 8406 (MB 2009) (reducing forfeiture amount against LPFM station for late-filed renewal application and unauthorized operation of the station from \$7,000 to \$500).

¹² See, e.g., *University of Southern Mississippi*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 22 FCC Rcd 5609 (MB 2007) (proposing a \$3,500 forfeiture where licensee filed renewal application the day after its license had expired); *First IV Media, Inc.*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 22 FCC Rcd 2715 (MB 2007) (proposing a \$3,500 forfeiture where licensee filed renewal application two days after its license had expired).

¹³ Response at 3.

¹⁴ See, e.g., *Southern New Mexico Radio Foundation*, Forfeiture Order, 23 FCC Rcd 8239, 8241 (EB 2008) ("it is well established that the absence of public harm is not considered a mitigating factor in a rule violation and does not warrant a downward adjustment of a forfeiture"), citing *Pacific Western Broadcasters*, Memorandum Opinion and Order, 50 FCC 2d 819 (1975).

¹⁸ Section 312(f)(1) of the Act defines "willful" as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law. 47 U.S.C. § 312(f)(1). The legislative history of Section 312(f)(1) of the Act clarifies that this definition of willful applies to Sections 312 and 503(b) of the Act, H.R. REP. No. 97-765, 51 (Conf. Rep.), and the Commission has so interpreted the terms in the Section 503(b) context. See *Southern* (continued....)

Section 73.3539 of the Rules and willfully and repeatedly¹⁹ violated Section 301 of the Act.²⁰ Furthermore, we find that Licensees' arguments do not support cancellation or reduction of the proposed forfeiture amounts.
